

# Are You Ready for the Holidays?

November 2009

*It is hard to believe Thanksgiving is just around the corner and Christmas is 5 weeks away. I have much to be thankful for. I want to thank you for the privilege of working with you over the years. I truly believe I have the best clients that anyone could ask for. Your business and friendship have been very much appreciated. Thank you.*

*It would be my pleasure to help you get ready for this holiday season or for the new year. There is still time to dress up a room or two to make it extra special. I would be happy to meet with you anytime that is convenient for your schedule.*

## **FOR YOU...**

### **New Website, New E-zine**

To better serve you, I have just launched a new website. It's a great way to let you know all the services I can offer you. It's also the perfect place to send your referrals! Please visit me at [www.WrapYourselfInLuxury.com](http://www.WrapYourselfInLuxury.com). Send me a short email after you've browsed. I would love to hear from you! To keep in touch with new products and special promotions, plus give you design tips and ideas, I will start an ezine soon. Please email me to let me know if you would like to receive this monthly newsletter. (I will never share your email address with anyone.)

### **Hunter Douglas Holiday Rebates**

Place an order now through December 15, 2009: Receive \$25 - \$600 rebate per blind, on Duette, Vignette, Pirouette, Nantucket, Silhouette, Park Lane, and Luminette shades with no minimum or maximum order. Call me to get more details.

### **New Studio**

I am excited to tell you about my new studio I've been building all year! It is a wonderful large room for you to come and browse through beautiful fabric and trim books, see and touch the Hunter Douglas blinds and shades, and dream new ideas for your home. Of course, we will still meet in your home too, because that is where it all comes together.

*On a personal note, Todd and I celebrated our 21st anniversary in August. We have had a great year enjoying every moment with our son Thomas. He will be three years old in January. He is an absolute joy and gift from God. You can see him laying on his Noah's ark bed I made for him in the flash intro on my website home page.*
